Our Katrina experience was:

We didn't live in a flood zone but we sure did flood!! We had about 4½ feet of water in our house. My daughter left her two cars; we lost and they lost pretty much everything. Our house is gutted right now just waiting for our ins. to tell us something. For the time being we are living in campers in the front yard.

Write something special that you would like Santa to bring you or your family:

Through all of this my grandchildren have handled losing all their toys and belongings very well. We would like something special for them and maybe the baby if you can. Rain 7½ Skye 3½ (girls) Baby boy Dec. 5 if Not Sooner (HA HA).

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
